

DOMICILE AFFIDAVIT

Independent Student

Student Name _____ Student ID# _____

The purpose of this domicile is to provide information in regards to the domicile of the person listed below.

Residency for tuition purposes is determined in accordance with state law (A.R.S. §15-1801 et. Sec.) and regulations of the Maricopa Community Colleges Governing Board. Domicile status must be established before the student registers and pays fees. It is the student's responsibility to register under the correct domicile status. All of the Maricopa Community Colleges are subject to the above statutes and regulations. Students who have questions about their residency should contact the Admissions, Records & Registration Office for clarification.

The responsibility of registration under the proper residency classification is placed upon the student. Any student who is found to be classified improperly shall be required to pay full out-of-state tuition. In determining a student's classification, the college may consider all evidence, written or oral, presented by the student and any other information received from any source which is relevant to determining classification. The college may request written sworn statements or sworn testimony of the student. Furnishing false information to any official, college employee or office is a violation of the Student Code of Conduct (AR 2.5.2) and subject to disciplinary sanctions.

If you are under the age of 24 and a dependent of one or more parent(s) for federal income tax purposes, please refer to the Residency Guidelines and complete the Dependent Domicile Affidavit. Students who have questions about their residency should contact the Admissions, Records & Registration Office for clarification. All questions should be read carefully before answering.

Independent students need to:

1. Complete the Domicile Affidavit (reverse side of this form).
2. Provide proof that you have physically resided in Arizona for **one year prior to the start date of the semester** for which you are applying for in-state residency.
3. Provide proof that you have taken steps to establish domicile (reverse side) in Arizona.

- Arizona income tax return
- Arizona motor vehicle registration
- Employment history in Arizona
- Source of financial support in Arizona
- Ownership of real property*
- Transfer of major banking services to Arizona
- Arizona voter registration
- Arizona driver's license
- Dependency as indicated on federal income tax return

*Ownership of property or payment of taxes within a state is not necessarily the sole basis for determining residency.
