1	STEM Advisor	08/03/2021	Hi Thank you for completing your enrollment steps and the ROAR orientation! Our names are that you are joining us and we are your STEM advisors! We are so thrilled that you are joining us and we are your STEM advisors! We are so thrilled that you are joining us and we are your STEM advisors! We are so thrilled that you are joining us and we are your STEM advisors! We are so thrilled that you are joining us and we are your STEM advisors! We are so thrilled that you are dimosting that. If you want to take four, the top four are the most important, etc. Please take some time over the next few days to work on enrolling for F121 aco and let me know if you need anything. We recommend using the EMCC class schedule search rather than the Maricopa one to locate the courses that you would like to register for. Once you have selected your cour use the course number to register for courses in your student center at my maricopa.edu. We have created a video, here, that will show you how to search and add classes usi our system. Please right click these links to open in a new tab. If you are interested in applying for the <u>Presidential Honore Program</u> , you can get up to 15 credits per semester free for 4 semesters – that could mean you complete your cant Additionally, your program plan is out-of-date and needs to be updated both for financial aid purposes and so that you are showing up as a STEM student. Please follow this <u>Program Plan Change</u> – Select the add/change bubble. Then from the first; yecond/third/furth/fifth dropdown menu, you can choose your plan. The Associate is descend a soft way to to test for eading so that we can attempt an exemption - this means you'll never have to take a reding course at this level. In order to do that, please visith https://marciopa.edine.dv.org/home and select the Critical Reading and Thinking test. You will need a score of 9 of higher to evampt from the course. Please feel free to reach out at any time if you have any questions or concerns, you can reach the STEM team	l)P 1 rses, ng ire link t:
