

View your Degree Progress Report

Using Degree Progress in your Student Center @ my.maricopa.edu, you can track how coursework applies toward your degree, what requirements are still pending and the choices you have to satisfy each requirement.

Your student center must show the correct degree plan for this report to work. All outside coursework must be transferred to EMCC to show in Degree Progress.

How to View Your Degree Progress Report

Log into your Student Center at my.maricopa.edu

Under the Academic History tab there is a dropdown menu, Click “Degree Progress Report” and the arrows.

The above schedule displays only your most current term. If you have enrolled in multiple terms use the My Class Schedule link above to view future terms.

Once the report runs, you will be able to see all of your completed classes as well as those that still need to be completed. You can also view the consolidated report as a PDF to see a quick overview of what is unsatisfied.

The degree progress report will show you the plan you are currently working toward as well as your current GPA. You can change this plan with Admissions if it is incorrect.
