Your **Message Center** receives important messages about your account like changes to class schedule and financial aid. Check this regularly!

Your **Official Student Email** is a link to your email account. Use this when corresponding with instructors and other staff on campus.

**Holds** are items that will stop your progress across Maricopa. If you see an item here show details to find out who to talk to so they can help you clear it. You cannot register for classes, send transcripts, or graduate if you have a hold.
