NOTES

This report provides NCCBP Survey data about students who transferred to an Arizona public university. The data includes number of transfers, average cumulative first-year GPA, total first-year credit hours and the average credit hours taken in the first year, and persistence to the next year at the same university.

¹ Standard EMCC Transfers who completed at least one course during academic year of transfer. A Failing grade is a completion. Academic year is Fall, Spring, Summer.

² The average non-null First-Year GPA for the transfers in Column 1, utilizing the non-null cumulative GPA in the last semester enrolled during the Academic Year (Fall, Spring, Summer)

³ Sum of credit hours in courses completed by transfers in Column 1 during academic year of transfer

⁴ Transfers in Column 1 that enrolled at the same university in the following academic year.

Standard NTR Transfers : Students with 12 or more EMCC credits who entered an Arizona university as new transfers in a fall or spring semester. Reported here for reference.
