A MARICOPA COMMUNITY COLLEGE

## Final Exam Calendar, Descriptions – Fall 2021

### Regular Classes (14 week and 16 week - not including hybrid)

Final exam times for all regular term classes will take place during the week of Monday-Friday, December 13-17, 2021. Please refer to the attached **Final Exam Calendar** on this page to determine which date and time the final exam will be given. Please use the start time of the class to determine the appropriate final exam date and time. Should there be any conflicts with final exams, students should notify their instructor, and faculty should notify their Division Chair. Science classes will take exams based on the start time of the lecture section.

### Friday, Saturday, or Sunday ONLY Classes

Final exam times for classes that meet on Friday, Saturday or Sunday only, should be scheduled for the last regular class meeting. Last regular class meetings occur **Friday, December 10-Sunday, December 12, 2021**. Should there be any conflicts with final exams, students should notify their instructor, and faculty should notify their Division Chair.

### Flex Start Classes/Short-Term Classes (8 week classes)

Final exam times for short-term classes will be scheduled during the last class meeting date as indicated on the class schedule. Should there be any conflicts with final exams, students should notify their instructor, and faculty should notify their Division Chair.

### Hybrid Classes & Nonstandard Class Meeting Times

Final exam times for hybrid and other nonstandard classes should be scheduled during the last regular class meeting (**Monday, December 6, 2021, December 10, 2021**). Most hybrid classes will not meet during the week of finals: however, some classes may require final exams during the week of finals and/or may require an online final exam. Please refer to the course syllabus for exam details. Should there be any conflicts with final exams, students should notify their instructor, and faculty should notify their Division Chair.

*\*Faculty: In-Person hybrid final exams should be scheduled during the last regular class meeting date **Monday, December 6, 2021-Friday, December 10, 2021**. Hybrid classes should not meet in-person during the week of finals. If additional in-person time for final exams is required, faculty should notify their Division to request space for the final exam.*

## Final Exam Calendar, Example – Fall 2021

### How to determine a final exam date and time

1. Determine the class meeting days (i.e. meeting days are Monday and Wednesday as indicated by MW)
2. Determine the class start time (i.e. start time is 5:45pm, which is between 5:00pm and 5:55pm)
3. For the example below, the final exam will take place on Monday 12/12 from 5:00pm-6:50pm

**Fall 2016**

### Accounting Principles I ACC111

3.00 Credit

Fundamental theory of accounting principles and procedures. Prerequisites: None.
