## Dignity Health

### **Description:**

Our volunteers play a very important part in our healing ministry, assisting our staff and providing that "personal touch" to our patients. Our volunteers enjoy working side by side with our staff, developing camaraderie with other volunteers, and having a sense of pride as they donate their time to help others.

Volunteer tasks include:

- Greet and assist patients, family members and visitors at our many information desk
- Provide directional assistance to patients and escort them through the hospital
- Provide assistance to patients preparing for and recovering from surgical procedures
- Work directly with pediatric patients in our Child Life Center helping to make their lives as normal as possible while in the hospital
- Visit with patients and family members throughout the hospital, providing support to nurses directly on patients care units
- Utilize computer and clerical skills as an office assistant
- Work in the nursery providing hearing-screening tests to newborns 12 hours after birth to detect hearing deficiencies
- Assist with special events and special projects
- Be a hospitality host and greeter at the Ronald McDonald Family Room – a respite room for parents and adult family members with children receiving treatment at St. Joseph's

# Mayo Clinic

## **Description:**

Volunteers at Mayo Clinic in Arizona Serve Patients and visitors with a personal touch. As a Mayo Clinic Volunteer, your work will help patients feel more comfortable, assist Mayo staff members in carrying out their patient care mission, and become a source of pride and enjoyment. Like everyone at Mayo Clinic, we have a primary concern for patients' well-being comfort and security. Volunteers contribute to Mayo's mission in numerous ways. Volunteers help reassure anxious visitors, support a caring busy professional staff, and help ensure the individual attention that Mayo patients have come to expect.

## **Adult volunteer application process**

- Complete and submit the online volunteer application form. After you submit the application, Mayo Clinic Volunteer Services will contact you to schedule an interview.
- Attend a four-hour general orientation.
- Pass the background check.
- Complete a two-step [tuberculosis \(TB\) skin test](#) (no charge). A positive result may require [additional bloodwork](#).
- Complete the volunteer training program.

Once you've completed the application and interview process, you'll be assigned to one four-hour shift a week, on the same day and at the same time each week.
