

## ENGLISH AS A SECOND LANGUAGE WEB RESOURCES

### **ESL Grammar Writing**

College of San Mateo—Grammar Check

This web site reviews all grammar issues in English from learning about Adjectives to learning the Writing Process. Any student of English would do well to work through the various subtitles and practice using the various forms of the English language.

### **ESL Listening**

English Tapestry Listening Homepage

On this web site a huge variety of topics are discussed from whether we should have grades in education to how much children devote their time to soccer. They are recorded videos of actual conversations in English which may be useful to learn proper inflection.

<http://www.ello.org>

Randall's Cyber Listening Lab

This site is keyed to the auditory learner with taped videos of conversations in English on a variety of topics and situations from interviews for jobs to investments. Students hear English speakers using pronunciation correctly and in daily situations.

<http://www.esl-lab.com>

English Baby

This site has videos that focus on English grammar through various movies segments. It is an opportunity to hear every day English language as portrayed in movie theatres and every day life.

Focus English

This site is dedicated to helping ESL/EFL learners develop conversational English skills. At

FocusEnglish.com, you can:

- listen to native speakers talk about various topics;
- learn useful idioms;
- learn common words and phrases;
- test your vocabulary skills in everyday English;
- practice responding, in English, to real-life conversations;
- listen to native speakers give sample responses

## **English/Spanish Tutoring**

Ingles/Mundial

Learn English on-line for free with our leveled courses: basic, intermediate, and advanced. Each level includes lessons with interactive activities to learn vocabulary, grammar, oral comprehension, pronunciation, writing and more. It is recommended that you do the English lessons in order (Lesson1, then lesson 2, etc.) and that you study the pages in each lesson in the order that they are presented (vocabulary, then grammar, etc.). It is recommended that you study a lesson per week.

Aprenda inglés online gratis con nuestros cursos de nivel [básico](#), [intermedio](#), y [avanzado](#). Cada nivel incluye lecciones con actividades interactivas para aprender vocabulario, gramática, comprensión oral, pronunciación, lectura y más. Recomiendo que haga las lecciones de inglés en orden (Lección 1, luego Lección 2, etc.) y que estudie las páginas de cada lección en el orden en que están (vocabulario, luego gramática, etc.). Recomiendo que estudie una lección por semana.
