   - Associate in Arts, Emphasis in Sustainability and Environmental Studies
**Pro-tip: There are numerous options for some of these degrees as they are offered in Bachelor of Arts and Bachelor of Science degrees at different ASU campuses (Tempe, Downtown, West, and Poly). Be mindful of which program you select as that can change your requirements.

7. Select the bubble for “On-Campus” or “Online”

8. Read through the acknowledgments and check the box at the bottom.
9. Then click “Submit”

Your MAPP will update in your Student Center immediately and you can see your new program there.

It will connect you to ASU within two weeks and you will be assigned a student ID number and ASURITE login that will allow you to track your progress from the ASU side as well as prepare for transfer.
